**DECISION ON PETITION FOR
EXPUNGING INFORMATION UNDER
UNDER 37 CFR § 1.59**

This is a decision on the petition under 37 CFR § 1.59(b) filed on **March 02, 2011** for return of the original parent patent U.S. Patent No. 5,629,733 surrendered on August 19, 2003 associated with the above identified application.

The petition is **GRANTED**.

An applicant has petition under 37 C.F.R. § 1.59 for return of the original parent patent U.S. Patent No. 5,629,733 surrendered on August 19, 2003 in the above-referenced reissue application. 37 CFR §1.178(a) was amended, effective October 21, 2004, to eliminate the requirement for physical surrender of the original letters patent (i.e., the "ribbon copy" of the original patent) in a reissue application, and to make surrender of the original patent automatic upon the grant of the reissue patent (see MPEP §1416).

The corresponding fee set forth in § 1.17(g) has been paid and establish to the satisfaction of the Director that the expungement requested, thereby, notice granting the petition for expungement is hereby provided. The original parent patent U.S. Patent No. 5,629,733 surrendered on August 19, 2003 has been attached to this decision.

Any inquiry regarding this decision should be directed the undersigned whose telephone number is (571) 272-3902.
